

District 155 Shoot-Out 2009

***This is a big fundraiser for our school district's girls basketball programs. Thus, all players and coaches are expected to be at their level's school both days ALL DAY to work their assigned time slots (see charts below) and to be "on call" in case there is a need to work at any other time. We must supply workers for concessions, ticket tables, scoring tables, etc. Although we will not have a frosh team playing at CG during the frosh level tournament, we will still need players free all day both days to work it if needed.**

***This summer we will have a combined frosh/soph team following the sophomore schedule below.**
