

What is the Cary-Grove Preschool?

The focus of our Preschool program is the social, emotional, physical, and intellectual development of the total child. The primary reason for the development of this special class is for the high school student to learn as much as they possibly can from the young children.

What are the requirements for participating in this program? The child has to be three years old by the start of this preschool program. (February 14, 2011)

The child has to be toilet trained.

The child should be socially developed so that he/she willingly separates without anxiety.

What sections of pre-school are offered this year? - See below! ☺

Goals for children in Preschool

The high school students will assist the children in developing the following:

- A positive self-concept.
- Reading readiness and language skills.
- Large and small motor skills.
- Socialization and skills through play.
- Formation of concepts about the world around us.

Preschool Cost & Further Information

The cost of consumable materials for the semester is \$100.00 **REVISED**

If you are interested, please call Laura Jacobson at 847- 639-3825 ext. 169, or email:

Or you can mail this back to : Cary Grove High School c/o Preschool
 2208 Three Oaks Road
 Cary IL 60013

By sending back this form- you are saving a spot for your child in Cary-Grove Preschool Program. If for some reason your plans change, please let us know as soon as possible, since we do normally fill up and there is a waiting list.

No need to send in money now- you will receive an information packet at the end of October with registration information.

Thank you for your interest in our program!

Go Trojans!
